Dove and Deer believes in Albany

We built this space with intention: to feed not just  
stomachs, but spirits.

To turn strangers into neighbors,  
and meals into magic.

Here, the lights are warm, the food is honest, and the  
drinks come with history and soul.

We believe that when people gather with open hearts  
and full plates, something sacred stirs.

So come hungry—for connection, for comfort, for a  
little beauty in your day.

We're glad you found us.
